Consent and treatment order

I acknowledge that I have read and understood the whole information. After detailed consultation with the physician I feel informed. I agree to the planned cosmetic treatment, with possible local anaesthesia. I am aware that no guarantee for a perfect result of medical treatments can be given.

I agree to allow taking and storing images for documentation purposes, as part of the treatment.

I would like the treatment to be performed right after this explanatory consultation, if possible. I had sufficient time to think and expressly waive any further consideration.
